

Delivery

Quick Ship

At DMF Lighting, we know how to deliver. And how to deliver fast. Not only do we provide excellent, responsive customer service, we back it up with some of the fastest shipping available in the industry to keep your projects moving full speed ahead. Our unique quick ship program leverages our domestic manufacturing base and warehousing to deliver the products you need in a fraction of the time.

We're excited to announce a new quick ship option: **Run Delivery**. Now you can order some of our most popular products and they'll be on their way the very next day. No cut-off times, no minimum orders, and no extra cost. Run Delivery - it's just another way for us at DMF to put our customers first.

DMF Run Delivery Facts

- No cut-off time. Place your order at any time and it will ship from DMF Lighting the next day.
- The Run Delivery program is available for all items listed in the qualifying products table.
- No minimum quantity required. Maximum quantities listed per Qualifying Products.
- DMF will continually update the Run Delivery program to ensure it includes our most popular products.

Shipping and Handling Details:
